CHAP. 8. *Dead animals and offensive substances.*—**SECTION 1. *Not to be thrown upon ground or into any body of water.***—No person shall throw or put into or upon any public or private way, inclosure, or grounds, lot of land, dumping ground, flats or body of water, any dead animal, oyster, clam, or lobster shells, slops, decayed vegetables, fish, refuse animal or vegetable matter, or other offensive substance whatsoever.

Domestic Animals—Keeping of. (Reg. Bd. of H., May 6, 1914.)

CHAP. 5. SEC. 3. *Henneries, dog kennels, etc., to be kept clean.*—All henneries, dog kennels, and pens for any animals shall be kept clean and free from decaying food and from filth of any kind. The buildings and pens shall be white-washed or disinfected and put in such condition as may be ordered by the board of health.

CHAP. 10. SECTION 1. *Goats and swine.*—No person shall keep a goat or swine within the limits of the town without first obtaining a permit so to do from the board of health, and in all respects complying with the conditions of such permit. All such permits shall expire on the 1st day of May annually, and may be revoked at any time by the board of health, and no person shall receive such a permit without first paying to the clerk of said board, for the use of the town, the sum of \$1 for swine to be kept.

SEC. 2. *Cows and hens.*—No person shall keep, or allow to be kept, within the limits of the town, in any building or any premises of which he may be the owner, lessee, tenant, or occupant, any cows or hens, ducks or geese, without a written permit from the board of health. Every person keeping any cows, hens, ducks, or geese shall cause the place where they are kept to be well ventilated and drained and kept at all times in a cleanly and wholesome condition. Such permit may be revoked at any time when such revocation shall appear to the board to be necessary for the public health and safety. All such permits shall expire on the 1st day of May annually.

Garbage, Refuse, and Ashes—Care and Disposal—Collection of Grease. (Reg. Ed. of H., May 6, 1914.)

CHAP. 6. *House offal.*—**SECTION 1. *How to be kept.***—All house offal and refuse animal or vegetable substances shall be placed in suitable water-tight vessels and kept in some convenient place, to be removed by the persons duly authorized for that purpose by the board of health. Such vessels shall be kept covered and shall not be permitted to become offensive.

SEC. 2. *Not to be removed without permit or contract.*—No person shall remove or carry, or cause to be removed or carried, in or through any street, avenue, square, court, lane, place, or alley, within the town, any house offal or any offensive animal or vegetable substance without a permit, unless employed to do so by the board of health, nor in any manner except such as authorized by said board.

SEC. 3. No person shall drive, or cause to be driven, any cart or vehicle of any kind containing manure, dead animal matter, or other offensive material, through any public street, court, lane, or way of this town unless said cart or vehicle is tight and securely covered with canvas to prevent an escape of contents therefrom upon said public streets, courts, lanes, or ways.

SEC. 4. And no person shall drive, or cause to be driven, any cart or vehicle of any kind containing swill or house offal through any public street, court, lane, or way of this town unless said cart or vehicle is water-tight and is provided with wooden or iron covers, which shall be kept tightly closed while it is in motion.

CHAP. 7. Ashes, rubbish, and house dirt.—SECTION 1. Removal of, etc.—Ashes, rubbish, house dirt, and other refuse materials will be removed by the board of health wagons on such days as the board shall from time to time designate by notices left at the dwellings or otherwise, and under the following conditions:

Ashes, glass, metal, and other noncombustible waste materials must be put in suitable receptacles not larger than an ordinary flour barrel, and must be kept free from all other refuse matter.

All combustible waste materials, such as paper, rags, excelsior, straw, etc., must be tied in compact bundles and kept free from noncombustible matter and garbage, and so placed as to prevent being scattered in handling.

All refuse matter for removal must be placed on the outer edge of the sidewalk opposite the dwelling from which it comes before the time that the board of health wagons are expected to make collections. No wagon having passed through the street will be sent back to collect materials not put out before its regular arrival.

Earth, gravel, bricks, mortar, stones, lime, plaster, cement, concrete, or refuse materials from repairs or construction of buildings will not be removed by the board of health wagons.

Tree trimmings, vine cuttings, and yard cleanings will be removed during the spring and summer months.

Employees of this department are not allowed to enter cellars, cellarways, bulkheads, or areas for the removal of refuse material.

No person shall overhaul the contents of receptacles for waste material set upon the sidewalks to be removed by the board of health.

SEC. 2. Dumping of ashes and refuse materials.—No person owning or occupying any premises within the limits of the town of Arlington, and no town officer controlling or in charge of town premises, shall cause any ashes or refuse material to be placed thereon or shall allow such premises to be used as a public dump for ashes, refuse, or other material without a permit from the board of health and only in accordance with such permit.
